★☆☆☆☆ **TERRIBLE PRODUCT!! DO NOT WASTE YOUR MONEY!**

Reviewed in the United States on January 9, 2022

Style: Spin | Color: Onyx | **Verified Purchase**

This is a terrible product!! The 1st one didn't last a day before it stopped working, wouldn't shut off and got so hot we set it outside overnight for fear it would catch on fire. Received a replacement which lasted 5 days before doing the exact same thing as the first.

Definitely do not waste your money!

★★★★☆ **Battery is dangerous**

Reviewed in the United States on June 21, 2023

Don't buy. Had to return 2 and got them replaced. Replacements had same or similar issue. Battery exploded on us while in storage. Lucky no fire happened. Do not buy this

★★★★★ Will burn house down

Reviewed in the United States on March 22, 2024

Style: Spin | Color: Onyx

Will catch fire and burn your house down. Great gift idea for that certain someone you hate. They will experience months of pain while they try to rebuild what life they once had.
